**FGR SUNNY TARI**

**Date of Birth:** 04/30/2004  
**Registration 1:** 226888  
**Owner:** LM Longhorns

LM Longhorns acquired this legendary female for both nostalgic reasons and to see if lightning can strike twice Red McCombs acquired this cow over a decade ago, and she is one of RM's best producers ever. She is the great combination of Overwhelming Toro and Tari Graves. She is the granddam of the breed's biggest horned cow, 3S Danica. She is also the dam of a 102" 3S Toxuhdown Tari.
