The ONLY full sister to world record setting 113" 3S Danica. The only embryo by RM Checkered Flag and 3S Touchdown Tari we were able to produce, so this is Danica's only full sister. Holly's TTT is anything but record breaking, but the genetics are there! She is also a good milker and cycles back every year just like her mother. Real longhorn breeders see the value past the TTT here. IYKYK.
