The first/only bull out of Guinness World record >110" 3S Danica - what more needs to be said? Danica's dam 3S Touchdown Tari is >100" herself! The maternal pedigree of this bull is one of a kind, including Century's grand-dam Flash of Bonai whose 92" really adds twist to his offspring. The LM herd sire is an excellent outcross to any longhorn herd.
